FAMILY NEWSLETTER NOVEMBER 2020

Join us for our virtual STEAM exhibition

Throughout the year the children work on many aspects of STEAM learning ie Science, Technology, Engineering, Arts and Maths. Last year we held an amazing STEAM exhibition here at preschool for families. This year it will have to be a virtual exhibition and we are promoting it as a Simultaneous viewing event, so get you popcorn out and be comfy on the couch for **5pm on Wednesday 9th December** and we will all view together.

Post a photo of your family taking part in the ACP Family Community FB group!

Free preschool for 2021

The NSW government recently announced free preschool for all of 2021.

This is great news for all of our returning families!

We have a few vacancies remaining for next year, so please pass the word to your friends and family. They can book in through the Waiting List form on our new preschool website.

PARENT SURVEY

We know this has been a very unusual year, and things have worked out quite differently to what we had planned in Term One, but we would like your feedback on how the preschool year was for you.

Please take the time to complete our short survey, which will be emailed out next week. This information is so helpful to us in improving what we do here. Thanks in advance

For our Water days

Please send your child in their swimmers and rash shirt, with a change of clothes for later.

Thankyou!

**End of Term 4 for children will be Wednesday 16th December.
Preschool will resume for 2021 on Friday 29th January.**
